God's Word!

PowerUP is hitting churches across the nation to build kids up in the Bible. It's a year-long blast of force to help kids memorize Scripture and complete handbooks.

And leaders, you'll have all you need to help kids along. Just like the Great ShakeUP that brought new kids into churches last year, PowerUP will have all your downloadable resources online: Council Time messages, music, tips for Scripture memory, pacing calendars and more! And your local Leadership Training Conference will have specific sessions on PowerUP to give you the hands-on, personalized training you need.

What are you waiting for? The power's at your fingertips! Join the push to help kids memorize Scripture—they'll apply it to their lives for a lifetime.
