

# Family Time With God

October 2007

Missionary Philip

## How to Use These Pages

These calendar pages give you and your family an outline for meditating, considering and delighting in God's Word.

To help make this a family project, we have divided the verses into three parts. **Preschoolers memorize the words printed in red.** **Elementary boys and girls memorize the red and blue words.** **Older teens and parents can learn the complete verse.**

Yes, sometimes memorizing is difficult. Print out the verses, and put them in a prominent place where your family will see them every day: on the refrigerator, on

the bathroom mirror, in the car, on a bedside table — or even taped to the front of the computer or television! A few minutes concentration each day can result in a lifetime of remembering God's Word.

## What is Awana?
