Gal 6:9 "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."

July/August 2005

Dear Friends,

Thank you for your continued prayer and financial support. You're upholding us on the throne of grace and it is greatly appreciated. May God bless you richly. Corina and I certainly appreciate your prayers on behalf of our ministry and God is a witness of your faithfulness endeavor.

We appreciate your help and we are happy to tell you what the Lord is doing in different parts of the country, a cause of your support.

Your gift is big opportunity for us to participate at the training of the new leaders in the new Awana Clubs in the South and East of the country.

We are always humbled by the doors God is opening in Romania and the souls that are experiencing God's saving power. We hope to be able to start a few new Awana Clubs in different places, such as Ghiroda, near Timisoara, Bahnea and Blaj. On a September missionary trip to the central part of the country, we went for BT training for Awana in Bahnea. We are thankful for so many gypsy children who are attending the meetings of Awana club in Bahnea. Here in Romania the gypsy people are so discriminated and we are very interested to reach them with the Gospel to be saved and became a good testimony for other gypsies. Pray for power and wisdom. Then, I preached the word of God and we presented Awana ministry to the church in Blaj and encouraged the church to restart the Awana Program.

We pray that some of the Clubs will be able to solve the place for the game time. They need to rent either a school gym, or a cultural Hall or something like this to be able to have the game time and to be able to get to more kids. Some kids are not allowed in the churches and that's why they are not able to be a part of the Awana Program.

Thank you for your partnership in prayer and please continue to do this. May God bless you and reward you abundantly.

Serving the Lord,
Nelu and the Corina Paul

David and Felicia Zerghe, new Romanian missionaries

And, of course, the Awana kids!
