

Big Truths For Kids To Know

Puggles® is a foundational curriculum for young children that communicates biblical truth in a fun and age-appropriate way.

The teaching for the Awana® Puggles program is built around four Big Truths found in Scripture. Each of the 32 lessons contain elements you can combine to best meet the needs of your group. The lesson elements include: activities, songs, crafts, puppet shows, lesson time, and discipleship for parents to do at home.
