# New Awana Awards Transition

---

---

It is a blessing and a privilege to partner with you to disciple kids to know, love and serve Jesus. At Awana, we are passionate about our mission to equip leaders to reach kids with the Gospel and engage them in lifelong discipleship.

This guide will walk you through the **exciting transition to our new awards** for Cubbies, Sparks, T&T and Trek. We have heard your feedback and are pleased to share with you these new and improved awards, designed with high-quality materials and eye-catching designs that celebrate the accomplishments of the children and youth in your ministry and match the efforts your kids put into achieving them.

You will see a side-by-side comparison of the current awards to the new ones, including visuals, pricing and purchase availability. The current awards are available while supplies last. Once the stock is depleted, you will no longer be able to order the current awards. The new awards will be available starting January 14, 2022.

As you work through this guide and consider what resources will be valuable to you and your ministry team, know that we are here to support you every step of the way. Between our Partner Care team — just an email or phone call away — and our local missionaries throughout the United States, we want to serve and support every aspect of your local ministry to children and youth.
