Child & School Initiative

SPRING 2025 UPDATE

A Note from the Field

Dear Kingdom Partners,

Calvary greetings to you saints from the land of Africa!

With a joyful heart, I write this note of appreciation on behalf of the millions of children and youth we are serving in Africa on a weekly basis. Your sacrificial generosity continues to provide vital sustenance to our mission of equipping leaders to reach kids and youth with the Gospel and engage them in a lifelong relationship with Jesus.

Your dedication to child discipleship in Africa is transforming the lives of children in schools, churches and entire communities.

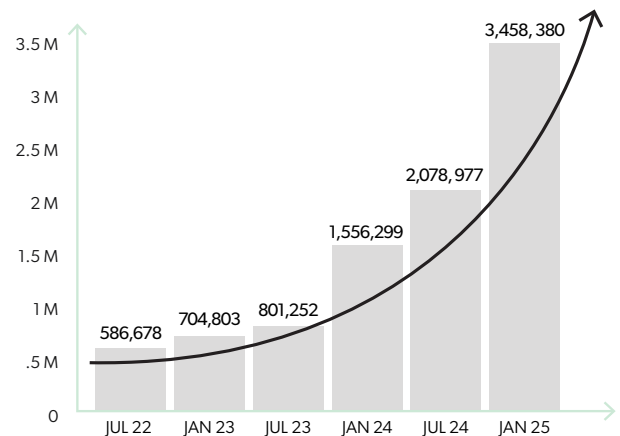

It is my earnest prayer that the Lord will continue to use us together as we equip leaders with biblical resources. We invite you to continue walking alongside the child discipleship movement in Africa through your giving, and thank you for fueling the growth of the Africa Child & School Initiative.

You are sincerely appreciated and loved with Christ's love,

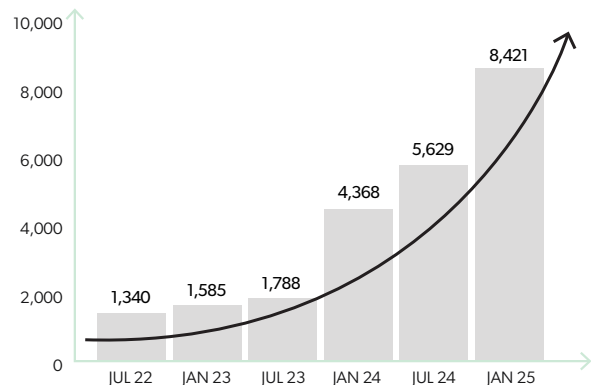

Joseph Mbangé
Africa Global Vice President

HELP BRING GOD'S MESSAGE OF UNENDING LOVE INTO AFRICAN SCHOOLS.

We have a critical opportunity to make a difference in children of the Central African Republic (CAR). Where so many kids have seen or even been at the center of war, guns placed in their hands, we have a chance to replace messages of hate with the truth of God's love. Would you prayerfully consider partnering with us again to bring biblical teaching to more schools like those in the CAR so boys and girls can all learn about Jesus in their classrooms? **Our goal for 2025 is 400 schools equipped; we have less than 200 to go!**

The government has opened its doors to us; they want change to come to all 3,000 schools in the CAR. **For each \$650 you give to the Africa Child & School Initiative, you help us reach one of those schools with training and materials to engage all of its students with the Gospel.**

It's a blessing to be on this mission with you; your support is changing lives for children now and for generations to come, because we're helping them know who they are in God and where their hope comes from. It's the best gift we can ever give a child.
